

#INCENTIVE@A-CLASS

Since spring 2018 the **new A-Class** has been distributed to the customers in various markets.

You, as our transportation partner, are an essential factor to establish and maintain a high quality standard within our outbound supply chain.

Therefore, we want to **reward you** for your important cooperation.

Transport the A-Class and get **10 € for every „OK“ vehicle!**

10 € INCENTIVE**

MORE INFORMATION

In order to receive the **#INCENTIVE@A-CLASS**, the following conditions must be fulfilled:

- The incentive will be paid beginning from 24/04/2018 until 01/07/2018 for all undamaged A-Class vehicles (deadline is the conclusion of your corresponding transport section).
- The incentive will also be paid if an already damaged vehicle is being transported damage free in the subsequent transport section.
- Basis for the calculation of the incentive is the transport section you are responsible for.
- All damage free truck transports within Europe will be rewarded with this incentive (does not apply for rail, short and deep-sea transports).

Thank you for your participation and for being a part of the **success story of the new A-Class!**
